CAMPUS EVENTS

Welcome!

To all new students...welcome to our campus. To all returning students...welcome back. Be sure to take advantage of all the great services that are here to support you and your quest for learning. This newsletter is one of those services; it is our way of trying to keep you in touch with important deadlines, events, and information. Your contribution is welcome, but please keep in mind that this is "information only" and not for commentary.

Help is Out There

Did you know that you may be able to get a tutor to help you with your studies? Volunteer tutors are trained to work one-on-one with students in reading, writing, math, and science. Students and tutors usually meet twice a week at the

college. For details, drop in to the Tutor/Study Skills Office (across from Information Services)

and ask Arleigh Trail about the possibility of getting a tutor. If you don't think that you need the on-going help of a tutor, but you

definitely needs some kind of kick-start, ask Arleigh about study skills. She has lots of ideas, information, and handouts. A little help can go a long way...

Student Loan Applications

New student loan applications for Fall 2000 and Spring 2001 will arrive in Student Services approximately the first week in May. If you plan on applying for a student loan for September, make sure you send it in by June 30 to get your funds for the first day of class. Check the table outside Student Services to pick one up.

Awards and Scholarships

Awards and scholarship applications are now available at Student Services. Most awards require at least a 60% course load. To qualify for awards, you need a GPA of 6.00 and to apply for scholarships, you need 7.50.

Have you signed up with StudentAwards, the national database of awards that matches awards to your personal and educational profile? If not...do so! The site is updated daily and has access to zillions of dollars to **give away** to

students...why not you? Here is an example: After applying on-line for the Kraft Canada Scholarship, visit www.kraftdinner.com for a chance to win up

to \$5000 just for giving the "cheesiest" answer to why KD should pay your tuition. To create or update your personal profile with Student Awards, go to <http://www.studentawards.com> today!

Book Buyback

To get cash for your used textbooks, come to the main foyer on Wednesday, April 19, from 9:00 am to 4:00 pm.

Unattended Animals on Campus

Please do not leave your pets unattended on campus property. Because the campus is situated on Cowichan Tribes land, their Bylaw Enforcement Officer will be contacted if we are concerned about animals on campus. We have been advised by the officer that abandoned or mistreated animals may be impounded and the owner could be fined.
