

# HITLER TO MAINTAIN MINIMUM ARMED FORCE OF HALF MILLION MEN

**Airforce To Be As Large As Any In Europe; (Strong Navy)**

**FRANCE DENOUNCED**

Berlin, May 21.—Adolf Hitler, in a speech before the Nazi Reichstag tonight told the world Germany would maintain her new found military power to the maximum but would respect the territorial clause of all treaties, and was ready to negotiate honorably with all nations.

A thirteen day program for the Third Reich was contained in one of the most momentous international declarations since the war, including:

1. A minimum German army of 500,000 men.
2. A minimum German navy of 35 per cent of the British fleet and 15 per cent inferior to the French fleet.
3. An air force limited to equality with France's largest.

Hitler's Reich will respect the Locarno Treaty but his leader asserted the League of Nations for discriminating tactics, and attacked France on the demilitarized Rhineland question.

**Lengthy Speech**

Hitler's speech consisted of 90 pages and ran between 25,000 and 30,000 words in length.

The importance which he regarded as the main message was indicated by the fact that loudspeakers for its amplification were erected in every city and hamlet in Germany. Motion picture houses and theatres interrupted their shows to tune in on the Reichstag proceedings.

**Ontario Blamed For Destroying Canada's Credit**

Ottawa, May 21.—Action of the Ontario Government in passing legislation declaring void certain power contracts "completely destroyed" Canada's credit in the United Kingdom, Premier Bennett told the Commons today.

The government attempted to launch a reforming loan in the United Kingdom last fall but had to abandon it.

Canada's credit, he said, was injured by bond interest difficulties of Vancouver, and completely destroyed by the Ontario legislature.

## SELASSI WILL DEFEND FRONTIER

**Suggests Italy Has Tacit Understanding With France and Great Britain**

London, May 21.—Ethiopia will feel compelled to defend her frontiers in the event of further frontier incursions launched by Italy, Emperor Haile Selassie of Ethiopia warned today in an interview at Harar with the correspondent of the London Daily Mail.

"We shall feel compelled, in the event of further incursions, to defend our frontiers," the Emperor stated.

The Emperor added, according to the Daily Mail, that he was "pained and surprised" that in view of the Kellogg Pact the Great Powers stand by "and watch Italy's open arm."

"I can only conclude that Britain, France and Italy have come to a tacit understanding concerning the future of Ethiopia."

"It is absolutely untrue, that we have airplanes, poison gas and heavy artillery. Such modern arms as we possess are only defensive. I look to the League to help favorably our appeal for just treatment and I earnestly pray that the difficulties will be settled finally this week."

## BIG ENTRY FOR MAY 24 PARADE

**Fine Program Arranged For Empire Day; Fireworks In Evening**

Forty groups, 20 floats and many individual entries have been lined up for Nanaimo's 1935 Empire Day parade. This amount is in excess of last year's entry list and it is expected that judges will have no easy task in selecting the winners.

All entries for the parade must be lined up on Halliburton Street at 11:30 a.m., for the judging. The parade starts at 12:30 p.m. to enable Vancouver visitors to disembark in the city.

The celebration opens with the Strolling Puppet Show, which will be staged in the Pigmy Pavilion, Thursday evening, May 23.

The crowning of the May Queen will be an elaborate affair. Arrangements for this phase of the celebration are in the capable hands of Malapina Chapter, I.O.D.E.

Vancouver attraction at the Central Sports Grounds on the afternoon of May 24 includes acrobats, singers, classical dancers and an Indian canoe race, always a colorful spectacle, are expected to again find favor with the large crowd of spectators that flock to the waterfront to witness the event.

Soccer matches are billed for the evening of May 24, 25 and 26. The Empire Day match brings together Seattle and Nanaimo. A junior match is scheduled for Saturday, and the Vancouver All-Stars perform against the Mainland All-Stars, Sunday.

**Fireworks Display**

A prominent feature of the celebration will be the fireworks display, on the evening of May 24.

Arm-minded residents will have the privilege of viewing Nanaimo from the air, as arrangements have been made with the Island Airways Company to operate a plane at a reasonable charge, on Empire Day. The Shell Oil plant will be headquarters for the planes.

Softball will be played Saturday night, when the final for the Mid-Island tourney will be played. Northfield Wideawakes and Harewood A's will stage a girls' match, as a preliminary to the feature attraction, the Canadian Crest Show, marking their first appearance in this city, are now ready for operation, and have a splendid assortment of side shows and clean amusement.

## FARRIS ATTACKS LEVY UPON AUTOS

**Says Tariff Upon Cars Is Unduly Burdensome To People of Canada**

Vancouver, May 21.—B. C. spent \$100,000,000 to help maintain the auto industry in Canada in the last year, and \$100,000,000 in the last nine years, J. W. deB. Farris, the prominent automobile dealer at the Dominion tariff board's hearing, stated today as he had an attack on existing customs and excise duties in the automobile industry. Three main points of his argument were:

1. Tariff protection afforded to motor vehicle industry is unduly burdensome to the people of Canada.
2. The existing tariff is unnecessarily high to afford reasonable protection to the industry.
3. Tariff protection given to the automobile industry is unduly burdensome to the people of British Columbia. The province receives no compensating equivalent.

Mr. Farris contended that, if in 1929 automobiles had been admitted into Canada without charge, Canadians would have saved \$52,000,000 in car purchases. He remarked that wages and salaries of the industry in 1934, \$3,500,000, or \$18,500,000 less than the import levy.

## NOOZIE

**SOME PEOPLE'S IDEA OF SAVING FOR A RAINY DAY IS A BORROWED UMBRELLA!**

## COALMINEERS BLAME USE OF FUEL OIL FOR COAL DECLINE

**Case For Coal Submitted To Dominion Tariff Board Members**

**OIL MONOPOLY POSSIBLE**

**Two Cent Per Gallon Duty On Imported Oils Is Suggested Remedy**

Vancouver, May 21.—The principal reason for the decline and production and labor in the coal industry in British Columbia is the widespread use of fuel oil, it was stated in a brief submitted to the Dominion Tariff Board today by the Canadian Collieries (Dunsmuir) Limited.

"This use has not been primarily occasioned by a spontaneous demand for any necessity, but by the offering for sale of fuel oils in this province at a price so low that it could not help but attract those who formerly used coal," the brief stated. "The refining companies have been able to sell fuel oil at such prices because they are dumping in British Columbia a surplus of crude oil which their affiliated companies in California find difficult to dispose of elsewhere."

"The situation can be remedied by taxing the country as a whole by a revision of the tariff items involved."

"The position in which the coal industry finds itself is not because of any inferiority of its product, but because of the way in which the price of fuel oil is fixed."

**Coal Does Compete**

"Even at present prices coal can and does compete to a considerable extent with fuel oil. With a reasonable amount of protection the output of the mines would be materially increased, and, as a direct result, the cost of production would undoubtedly be reduced. This in turn would enable the coal producers to sell at lower prices. Moreover as every extra ton of coal produced means an additional man-shift, an immediate improvement in employment conditions would be the result. If the equivalent of approximately half the present fuel oil consumption was reclaimed for coal it would represent close to 500,000 tons per year which in terms of labor means over 1,400 men on the payroll."

"With normal competitive prices the use of oil is not necessarily any cheaper than that of coal. This is obvious when the small amount of fuel oil used by the other parts of Canada in British Columbia, is considered," where industry is much heavier than in B.C.

"If the decline of coal consumption continues it is by no means improbable that the operators will not consider it worth their while to do more than to work out the areas already partially developed. It would seem apparent that should the competition of coal be removed the right of the oil in British Columbia would be a sorry one, for the oil producers would then have a virtual monopoly in the heating market in addition to their present monopoly in the motor-fuel market."

**Suggested Remedy**

The remedy which we suggest is this: That a duty of two cents a gallon be placed upon all crude oil, furnace oil, stove oil and fuel oil imported under the general tariff, but that a duty on crude oil be subject to a drawback which such crude oil is refined in Canada, such drawback to be paid to the importer on the volume of the products resulting from the refining of such crude oil, other than products used for the production of heat (that is, fuel, furnace or stove oil) in proportion to the volume of the crude oil. In other words a drawback would be allowed in respect of all petroleum products other than fuel, furnace and stove oil. The locally refined furnace, stove and fuel oil imported oils in the same kind, that is, they would pay a duty of two cents a gallon.

"It is however recognized that there is much to be said for the advantage to deepsea and coastwise vessels to be derived from the use of fuel oil, and for the impracticability of converting many vessels from the use of coal. We suggest therefore that the above drawback as mentioned above be allowed in respect of fuel oil consumed in the operation of vessels."

All Junior Forest Wardens, who in the city May 24, are to meet at the corner of Grace and Halliburton streets, at 12 o'clock noon, on that date, according to a report received from Captain Forest. As received from Captain Forest, a Junior Forest Warden will participate in the Empire Day parade.

## Dr. Weir Expects Big Grant For Adult Education, He Infers On Return Home

Vancouver, May 21.—Prospective financial aid for adult education is considered one of the principal achievements of his visit by Hon. G. M. Weir, who returned to Vancouver Monday from his eastern tour, which has occupied a month.

The provincial secretary and minister of education said he went to New York from Ottawa with the express intention of seeing if he could induce educational interest in the movement in which he takes great interest. He was warmly received, and after hearing the case for B. C. Weir, he gained the impression he was going to receive the promised grant will be forthcoming.

"Dr. Weir went east primarily for the purpose of attending the international health conference called by Dr. W. Sutherland, minister of health and pensions, at Ottawa, where he presented arguments for fairer distribution of the cost of mental and other cases attracted from the east and the prairies to the Coast by better climatic conditions."

He has given further attention to health insurance, in view of the draft bill presented to the House for study during the recess. The superannuation matter now largely rests with the municipalities which acceptance of a scheme which will eventually reach the department again.

## Waterfront Show-Down Foreshadowed On Issue of Dispatching System

**Seven Canadians Continue Play In Golf Tournament**

St. Annes-on-Sea, England, May 21.—Seven Canadians out of the original entry of ten from the British amateur golf championship progressed. Five of them won second round matches, and two others belated first round encounters.

Going into the third round tomorrow will be Phil Farly, Toronto; Edward Innes, Montreal; Bud Donovan, Winnipeg, and Ken Black and Dick Moore of Vancouver. Gordon Taylor and Jack Nash won the first round matches.

**Strike Threatens In Vancouver; Mothers of Unemployed Again Demonstrate**

Vancouver, May 21.—The Vancouver and District Waterfront Workers' Association voted 483 to 316 on Monday to start self-dispatch of workers to boats and docks next Monday. The full import of the vote, however, was not clear and officials refused to interpret it.

The question voted on provided that if self-dispatch by the longshoremen were not accepted by the Shipping Federation of British Columbia, the men would strike.

"If we were voting on self-dispatch, the vote was favorable," one official commented. "But if we were voting for a strike the vote was against it." Only a bare majority required to carry the first question, but a third vote is required to call a strike. The question of what the vote meant and any further action needed to clarify it will probably be decided upon at a meeting of the association later.

Spoken for by the Shipping Federation have declared they will not accept self-dispatch by the longshoremen.

The longshoremen and water transport workers, beginning their protest last night, also recorded their support for Vancouver and District Waterfront Workers' Association in their decision to take over self-dispatch of men, stating all other locals would back them.

Vancouver, May 21.—Apparently satisfied that the relief camp strikers were provided for up to noon today, some 75 women who had picketed the corner of the police station last evening, departed at 7:20 p.m. after interviewing Chief of Police W. W. Foster.

The women said they were mothers or representatives of mothers of strikers. They had previously indicated they would stay in the police station all night unless satisfied that the men had enough food to carry them over noon today.

Assurance that the men were provided for overnight was given to the women by a spokesman for the strikers who did not divulge the source of supplies. City relief, given over the week-end, expired, yesterday, but was apparently received from some other quarter.

In line with a promise by Mayor G. G. McGeer, a hall will be made available to the strikers in which to hold a meeting today to decide whether they will return to the camps. Col. Foster will arrange for such a hall, and the Drill Hall on Beatty street has been suggested among others.

It is only fair that the men have a business meet in it as they are going to take a vote, Col. Foster commented.

The mayor delivered his ultimatum to a delegation of eight strikers. He proposed that the men return to the camps, leaving a strong committee in Vancouver to continue negotiations. The delegation promptly rejected this suggestion before the men but they indicated the camp workers are determined to accept nothing less than complete victory.

## DEATH BLESSING TO COL. LAWRENCE

**Had Soldier Lived He Would Have Been Paralyzed and Speechless**

Wool, Dorsetshire, Eng., May 21.—A coroner's jury of seven men today decided that Lawrence of Arabia met death accidentally.

The verdict was returned after the juror heard testimony that when Col. T. E. Lawrence, was driving along a Dorsetshire country road on his motorcycle at a speed of from 50 to 60 miles an hour before he collided with a butcher boy on a bicycle.

The most poignant moment of the hearing came with the testimony of Captain P. C. Allen of the R.A.M.C., who performed the postmortem.

**Death's Release**

A. W. Lawrence, brother of the dead man, asked the doctor: "Had his recovery somehow taken place, what would have been his condition?"

"Had he lived," the doctor replied, "he would have been unable to speak. He would have lost his memory and been paralyzed."

Conflicting testimony concerning a mysterious black automobile entwined the hearing.

Corporal Ernest Catchpole, who testified as to the speed at which Lawrence's motorcycle was traveling, said the war-time hero passed an automobile and then swerved in an unsuccessful attempt to avoid two youths on bicycles.

**Conflicting Testimony**

Frank Fletcher, 14, companion of Albert Hargreaves, 15-year-old brother who was injured in the accident, testified he did not see the automobile to which Catchpole referred.

While the inquest was being conducted Lawrence's body lay in a flag draped chapel 200 yards away awaiting burial.

Lawrence's will bequeathed his brother consisting of about \$100,000, some investments, his little cottage at Morston, the motorcycle on which he was riding at the time he was fatally injured, and some books and private papers.

The film rights of Lawrence's "Seven Pillars of Wisdom" and "Revolt in the Desert" have been acquired by London Film Productions.

## MANY HAPPY RETURNS

Best wishes for many more happy returns are extended to Mrs. Lily Begg, Selby street, a native daughter of this city, who is today celebrating

## B. C. Responsible For Unemployed Relief Strikers

**Prime Minister Refuses To Negotiate With Men; Government Takes Serious View of Situation; McGeer Warns Mr. Bennett That Without Help Trouble Is Inevitable**

Ottawa, Ont., May 21.—The relief situation in Vancouver is understood to be receiving the attention of the Cabinet today. The government viewed the situation seriously, having in mind the activities of the Communist element, greatly aided by financial resources from outside of Canada, among strikers.

It was known definite efforts were being pursued to foment unrest all over the Pacific coast.

Vancouver, May 21.—If the Dominion Government refuses to co-operate in settling the Vancouver relief camp strike the relief camp is inevitable, Mayor G. G. McGeer stated today in a telegram to Prime Minister R. B. Bennett.

"We cannot hold the situation any further without resorting to force," he warned.

The Mayor's message was in reply to a telegram from Prime Minister in which the latter disclaimed any federal responsibility for strikers in Vancouver. Mr. Bennett's message clearly sets forth the position that men leaving camps become provincial responsibilities.

**Declines Suggestion**

For that reason, the Prime Minister declined to accept suggestion that he return to the Point Grey relief camp here be equipped with extra tents to house strikers until the situation can be settled.

Meanwhile, strikers prepared to consider the mayor's proposal that they return to the camp, have a committee in Vancouver to negotiate for changes in camp conditions, and administration as they demand.

**Bennett's Message**

Mr. Bennett's message to the mayor reads in part as follows:

"I am sorry that the report of the provinces that the Dominion undertook the care of single homeless men in camps as a measure of assistance, and it is indispensable condition of our co-operation that men to be there care for should be nominated by the province subject to our selection of those eligible."

"No powers of compulsion have been exercised by, or are rested in the Dominion, and in consequence, the men are free to leave our camps at any time."

"Having done so, their care devolves on the province, and, should they collect in a municipality, it is obviously the duty of that municipality to seek any assistance required from their provincial authorities, because as you are well aware, the municipality is the creation of the province."

"For this reason, therefore, I am quite unable to accept your suggestion that the Dominion should negotiate with the men. As regards the present situation, let me remind you that I have repeatedly stated, that our official stand should be to give immediate and sympathetic consideration to the cases of any individuals who apply for reinstatement, provided their applications are submitted through provincial authorities and

(Continued on Page 4)

## Federal Reaction To Dissension In British Columbia

Ottawa, May 21.—If the British Columbia authorities fail to maintain law and order, and prevent any further strike that province it will only be because they neglect to call the Federal government for assistance, Prime Minister R. B. Bennett told the House of Commons today.

Ottawa, May 21.—Unrest on the Canadian Pacific coast is being fomented by the same agencies in California, with finances emanating from a common source, it was declared in official circles here today. The general paralysis of maritime activities along the whole Pacific coast is being aimed at with the prevailing sentiment diligently exploited by Communists, it was said.

## CONCERT GIVEN BY RED CROSS SOCIETY

**Local Talent Heard Last Night At Capitol Theatre**

An entertaining concert was held last night at the Capitol Theatre under the auspices of the Canadian Red Cross Society. The matinee and evening performances were commensurate with the anniversary of the birth of Florence Nightingale.

Mr. J. Leslie Reynolds was in charge of the evening performance, and also acted as accompanist. Numerous were announced by Mr. F. S. Cunniff, Mr. E. Arnstam and The Munsonians. Personnel of this fine male voice group is Mr. J. Hamilton, Mr. W. Green, Mr. A. Thorpe, Mr. A. Beck, Mr. A. Lane, Mr. C. McKinley, Mr. T. McInay and Mr. J. Bradwell.

Mr. J. Hardestie's humorous chalk were appreciated, and Mrs. J. Leslie Reynolds recited Kipling's "Gunga Din."

Miss D. Shepherd was seen in a rhythmic tap dance, and Miss Jennie Bewic was heard in tenor, banjo solos. Mr. E. Mallins was accompanist for Miss Bewic.

Mr. Scotty Clark and Mr. W. Brankton were unable to be present, owing to indisposition. The program was completed with the showing of a humorous film "Mary Jane's Pa."

Those taking part in the matinee performance included: Prudence and Nora Stephenson, Olive Burnip, Agnes Russell, Mary Margaret Eby, Marion Blank, Annie Reynolds, Dorothy Johnston, Anne Fletcher, Lucy Street, Joyce Townsend, Doreen Fletcher, Mable Rose Gough and Ruth Brown.

Progressive Spiritualist Church will hold social evening and message meeting in Oldfellow's Hall on Wednesday, May 22, 7:30 p.m. Drawing to take place, all ticket stubs must be returned that evening.

## LISBON QUELLES RED UPRIISING

**Several Prominent National Figures Under Arrest; Troops Guard Banks**

Lisbon, Portugal, May 21.—Lisbon was quiet today following the government's prompt action on the evening of an uprising yesterday described as an attempted Communist revolt.

Several prominent figures in Portuguese political life were understood to be under arrest, on charges of Communist activity, but authorities declined to make known their identities.

Acting on information that leftists were planning an outbreak, a large detachment of troops and police was dispatched to surround strategic points and round up suspects. Soldiers armed with machine guns and rifles were seen in the streets and all government buildings.

## DID YOU KNOW THAT?

A fine new launch for Mr. George Bradshaw, of this city, slid down the ways of Vollmer Boat Works, on the Millstream, yesterday? Modern in every detail, the large launch is one of the finest turned out by the local boat builders.

Residents of the Five Acres report that their district is besieged with hordes of flying ants, that are rapidly developing into a nuisance?

**NANAIMO FREE PRESS**

Sixty-second Year of Continuous Publication.  
Established 1874.  
Published Daily Except Sunday at 227 Commercial St., Nanaimo, B. C.

**MUSIC TEACHING**

The music teachers of Nanaimo obtain wonderful results, and have some most talented pupils. If that statement should be doubted, one has only to run over a recapitulation of results at the Nanaimo and Victoria Music Festivals. Local boys and girls stood high against competition from all parts of the Island and Mainland. We believe we are not unduly optimistic, when we say that even if they should compete in the B. C. Musical Festival in Vancouver results would be equally as reassuring as they have been on the Island.

Of course, the teacher does his or her best, and it is to the teacher a certain amount of glory belongs. And because methods of teaching are all ways of interest it is worthwhile to note the remarks of a well known Vancouver critic and columnist "R. J."—Mr. R. Jamieson of the "Province".

Says Mr. Jamieson: "While it is an excellent thing for the young to take up the study of music in all its branches, it seems to me the time has arrived when something must be done to check some of the practices now operating in the name of music teaching. . . . Frankly, our young people are being exploited to death by persons who do not seem to care very much about the other person so long as they themselves are making headway financially. . . . My quarrel is with persons who are turning the music teaching profession into a racket. . . . For example, it is believed there is at present operating in this Dominion the longest period of music on an elaborate and questionable scale. My information is that this only brigade makes all

sorts of promises—anything to 250 pupils—and thus far it has met with surprising financial success. It is also alleged that parents of children taking lessons from this "outfit" are obliged to sign specially framed contracts binding the transaction which, as it is noted, makes it impossible for the sleight to escape his obligation. . . . Flattery is the chief asset of the racketeers in the music teaching business. These persons will make all sorts of promises just so long as it brings pupils and money. Please note the reaction of some parents, when told by the racketeer that their children will become real artists if they only study with the "great" man. On the other hand, observe the attitude of the same parents when the legitimate teacher tells a different story and probably the truth."

Mr. Jamieson returned to the attack in his column of May 18. "My correspondent," he says, "wants to know what remedy can be applied, in putting a stop to some of the doubtful practices now going on in the name of music teaching. The answer is this:

"The gentry who go about soliciting pupils are in some respects not so much to blame as those who encourage this racketeering business in music teaching. So long as parents and others will allow themselves to be fooled by slick selling methods, just so long will this irritating business continue. Our legitimate and highly esteemed members of the music profession are helpless in the matter and it is up to the public to muzzle those who are so persistently exploiting our young people in so shameless a fashion. It is, as we have previously pointed out, an excellent thing to encourage pupils in the study of music, but it is a crime against the public to believe that instrumental performance can be acquired with ease in a few months.

"Let me again warn every father and mother to have nothing to do with the 'rosy promise' specialists whose only concern is to make money at the expense of unsuspecting people."

There is much food for thought in "R. J.'s" comments. We commend them to parents whose children are studying music.

**SYMPATHY WAVING, MAYOR DECLARES**

**Tells Unemployed Ratepayers Must Give Them 40 Per Cent of Taxes**

Requests of striking unemployed for a rebate on water and a higher scale of allowances for rent, light and fuel, met with little sympathy and Mayor Barby last night. "Nanaimo ratepayers are already paying 40 per cent of their taxes to keep the unemployed! Do you think it right to ask the people of this city for water for nothing? I don't intend to ask them to pay for it," he said.

"The men asked for a return of the \$5.25, which would bring them to the full scale of pay before the strike. Failing that they suggested the city and B. C. should assume the shelter allowance, pay for rent, light, clothing and water, which amounts to \$7.50, and let the men have the food allowance of \$13.75.

Mr. Barby suggested his sympathy with the strikers was almost gone. He declared an anonymous communication had appeared in a Communist publication, after the Council had recently deliberated with an unemployed delegation until morning, saying that the strikers had forced the council's hand, despite the fact that the city hall was surrounded by police.

"That's a pack of lies," said the Mayor, "and it is mean and unfair to allow it to take."

Unemployed delegates declared they did not know who wrote the letter. One speaker described its author to be "lacking common sense."

A. V. Watson, W. G. Grimes and W. Smith addressed the council. Mr. Smith suggested that \$3.20 a day be paid for six days work a week. The Mayor told the speaker that he was in sympathy with the request, but that the city could not meet the bill.

The Mayor and aldermen were invited to attend the fourth annual Pioneers' Service at St. Andrew's United Church. The Rev. Dr. J. S. Henderson will speak on this occasion.

The Council will accept the invitation, extended by the Rev. W. P. Burn.

An Alderman "I suggest the local press also be asked to attend."

Tenders will be called for repainting the rest room in the local cemetery.

The Council granted permission to the Fire Chief to take part in the Empire Day parade.

**New York Child Dies In Cave**

New York, May 21.—While police, Boy Scouts and neighbors look at adjoining swamp lands and reed-grown lots in a two-day search for eight-year-old Shirley Evans, she lay dead beneath a ton of earth 250 yards from her home. Her body was discovered today buried in a cave she and her playmates had dug in a building excavation.

**GOVERNMENT LIQUOR ACT**

Notice of Application for Consent to Transfer of Beer License

NOTICE IS HEREBY GIVEN that on the 31st day of May, 1935, next, the undersigned intends to apply to the Liquor Control Board for consent to transfer Beer License, No. 3020, and issued in respect of premises known as the Crescent Hotel, situated at Victoria Crescent, in the City of Nanaimo, B. C., upon the lands described as Lot 2 and 13 feet of Lot 4 and part 13 feet of Lot 3, Block 13, Map 584, Victoria Land Registry District in the Province of British Columbia, from Joseph Negrita to Crescent Hotels Limited of Nanaimo, British Columbia, the transferee.

Dated at Nanaimo, B. C. this 1st day of May, 1935.

CRESCENT HOTELS LIMITED  
Per W. E. Philpott and E. Motishaw, Transferees.

The depressed price of farm products is a problem with which everyone is familiar, but on the 1913 basis farm product prices have never been as low as gasoline. Between 1913 and 1920 gasoline did not rise in price to nearly the same extent as farm products, yet since 1920 its price has almost continuously declined. The data for the above graphs are based on figures published by the Dominion Bureau of Statistics.

**A FAIR DEAL POLICY**

In the fifty-four years of its existence, Imperial Oil Limited has always welcomed legislation in the interests of labor and the basic industries. It has never had a labor dispute. It has always paid fair wages. The greatest extent possible it has provided continuous employment and it has given its workers increasing leisure so as to expand employment. It has sickness and death benefits and old age pensions because it believes that the worker and his dependents are entitled to such protection.

Imperial Oil has always tried to deal fairly with collateral industry and with its competitors. Its success in this connection is indicated by the fact that it has never had a major lawsuit. It has always recognized the principle that the only satisfactory business transaction is the one which affords a fair profit to all parties concerned. It has fulfilled all its undertakings. It has enforced no onerous claims on others.

Imperial Oil has always tried to deal fairly with the consumer. It has continuously improved the quality and steadily reduced the prices of its products. It has invested millions to make those products always available wherever they may be needed.

Imperial Oil Limited  
  
 THE SIGN OF IMPERIAL A FAIR DEAL  
 PRODUCTS

In 1934 Imperial Oil earned \$3,023,400.12 from its Canadian manufacturing and marketing operations. This, you may say, is a lot of money, but to earn that amount Imperial Oil had to make and market goods to a value of \$82,841,311.15. The storekeeper who in the course of a year sold \$8,280 worth of goods and made a profit of \$300 would not be regarded as enjoying an undue measure of prosperity. But his ratio of profit to the total volume of his business would be the same as Imperial Oil's.

It has been Imperial Oil's practice to "make wisely, measure truly, trade justly" for it is this it believes to be the secret of success.

**Getting Nowhere FAST?**

**BODY POISONS SLOW YOU UP**

Are you half-sick, half-well—haunted by the suspicion that you are getting nowhere fast? If so, you may be suffering from constipation, which sets up poisons in the body. Body poisons slow you up. Get rid of them. Try eating Post's Bran Flakes With Other Parts of Wheat regularly as your breakfast cereal. Mildly laxative. Because of its delicious flavour many vote it their favourite cereal. Constipation due to insufficient roughage in the diet should yield to Post's Bran Flakes eaten regularly. A competent physician should be consulted for more stubborn cases.

The new Post's Bran Flakes package carries pictures and stories of famous Canadians. Start a collection of them.

# Five Nanaimo Players On All Star Eleven

**Chinese Team Must Pay \$100 Or Be Suspended**

Vancouver, May 21—A fine of \$100 which must be paid by Thursday or the club and players suspended, since it has been inflicted on Chinese Students of the Vancouver and District League by the B. C. Soccer Commission. This penalty has been imposed because the Students played an exhibition game against the Victoria Wednesday League eleven, a non-affiliated organization, in Victoria on May 6 (Julius Day) after the Commission had refused them permission to do so.

**Strong Island Team Chosen To Meet Scotsmen In Soccer Classic**

Victoria, May 21—Fifteen players from this city and six from Nanaimo, have been selected as members of the Victoria and Nanaimo "rep" soccer eleven which will meet the Vancouver "reps" in a two-game series during the week-end. The first fixture will be played at the Royal Athletic Park here on Saturday, and the final match will be played at Nanaimo on the following day. The game here will commence at 2:45 o'clock with T. M. Robb handling the whistle. The Sunday kick-off at Nanaimo has been set for 2:30 p.m.

Selected yesterday evening by the Victoria committee of the British Columbia Football Commission, the starting line-up for the match at the enclosure Saturday is as follows:  
Goal: Louis DeCosta, Victoria.  
Right Fullback—Andy Gavin, Nanaimo.  
Left Fullback—E. "Fat" Edmunds, Nanaimo.  
Right Halfback—Ronnie Williams, Victoria.  
Centre Halfback—Roy Barnes, Victoria.  
Left Halfback—J. Knight, Nanaimo.  
Outside Right—Gordon Bell, Victoria.  
Inside Right—Scotty Stewart, Victoria.  
Centre Forward—"Daisy" Waugh, Nanaimo.  
Inside Left—"Uke" Gray, Nanaimo.  
Outside Left—Géorgie Payne, Victoria.

**All To Play**  
J. R. Jones, secretary of the Victoria committee, announced yesterday evening that all of the players, with the exception of Bud Sandland, Nanaimo forward, will see action in the fixture here. Sandland will play in the Sunday fixture at the U-Island city.

James F. Meher, who has managed Esquimalt eleven for almost two decades, will look after the Victoria and Nanaimo "rep" squad, and C. G. Blomfield and J. Carmichael have been named as trainers.

Strong in every department of the game, the Victoria-Nanaimo squad should prove capable of giving the Mamlanders plenty of trouble from the first sound of the whistle.

Following the match here on Saturday afternoon, the Victoria-Nanaimo and the Vancouver players will journey to Nanaimo Sunday morning in a special bus, leaving here at 9 o'clock.

**MINERAL ACT**  
Certificate of Improvements Notice.  
Premier Fraction, Premier, Mary Rose and Gold Dust Fraction mineral claims in Nanaimo Mining Division, located west side Phillips Arm. Take notice that we, J. McDonald, free miner's certificate No. 915111, and free Greenlaw, No. 48480D, intend sixty days from date hereof to apply for the Mining Recorder for a certificate of improvements for the purpose of obtaining a Crown grant to the above claims.

And further take notice that action under Section 85 must be commenced before the issuance of such Certificate of Improvements.  
Dated this 11th day of February, 1935.  
J. McDONALD.

### Harewood Defeat Rangers In Fast Evening Fixture

Harewood A's advanced another notch in Twilight League standings last night, as they defeated Rangers 9:1 in a fast game at Comox Park.

Bob Forrester, of the A's led the batting parade with four bingles in as many trips to the plate. A. Seola, second sacker for the losers, found Galtis' offerings for three salutes in four attempts.

G. Carroll and P. Courtney were umpires.

Score by innings: R. H. E.  
Rangers 000 000 000—1 8 4  
Harewood 022 003 028—9 11 2

Alexander and Webb, Thompson; H. Galtis and McKay.  
Wellington are at-home to Extension in tonight's only league match. A meeting of the Twilight League will be held at eight p.m. tomorrow. Junior managers are invited.

### Funeral Services For William Karr Were Held Monday

Obsequies for the late William Karr, pioneer Salt Spring Island resident, were held in the presence of a large number of relatives and friends of the deceased, at the Calvary Baptist Church, Chemainus, yesterday.

The service was conducted by the Rev. E. M. Cook and the Rev. A. Harber, both of whom paid deep tribute to the sterling character of Mr. Karr.

The duet, "Face to Face," was sung by Mrs. Edward Eberts and Mr. H. R. Smiley. The congregation sang the hymn, "Jesus Lover of My Soul." Mrs. Eberts was organist.

Mr. Carr's son-in-law, Charles Croch, and his five sons, Sandon, Robert, William, Arthur, and Andrew, were pall bearers.

A profusion of floral tributes attended the popularity of the deceased. Interment was made in the family plot, Chemainus cemetery.

D. J. Jenkins Ltd., were in charge of arrangements.

**B. C. Responsible For Unemployed Relief Strikers**

(Continued from Page 1) recommended by them, and they are willing to accept all significant conditions and are not known agitators. I note your anxiety as regards possible disturbances in Vancouver, and in this connection, you are no doubt aware that any requests for assistance must in the first instance be made through the province.

In reply Mr. McGeer wired Mr. Bennett: "An afraid you do not grasp the seriousness of the situation in Vancouver: Neither this city nor the Province of B. C. possesses finances to inaugurate needed public works that would alleviate destitution and unemployment in this province. "Committee organizers and agitators taking advantage of justifiable dissatisfaction on part of citizens in every strata of society and particularly objectionable features of relief camp system have been able to organize substantial numbers, who are openly flaunting constituted authority.

**Prevents Clash**  
"With no relief available, force will have to be resorted to to maintain order. Hoping that some assistance would come from Federal government I have by negotiation, and refraining from arbitrary assertion of authority, prevented any serious clash between strikers, agitators, their sympathizers and the police. "We cannot hold the situation any further without resorting to force. Am confident that if the Federal government would cooperate with the provincial and municipal governments, the situation could be avoided. If you persist in the attitude laid down in your telegram, trouble is inevitable, and responsibility must rest on you."

**DISTRICT CHILD IS LAID TO REST**

Many Attend Funeral Services for Late Dolores Jackson of North Wellington

Last rites were held today for the late Dolores Jackson, eight-year-old daughter of Mr. and Mrs. Ernest C. Jackson, of North Wellington, formerly of Victoria, who passed away in the Nanaimo Hospital, May 17.

School chums of the deceased girl, attended the services at the D. J. Jenkins Ltd. chapel, in a group and at the conclusion of the services, filed past the casket. Many attended the services which were conducted by Rev. Joseph Herdman. At the chapel, the school children sang "Jesus Wants Me for a Sunbeam." The hymn, "Safe in the Arms of Jesus," was sung by the congregation. Mrs. G. F. Nash was organist.

**Gems from Lite's Scrapbook**

**OPPORTUNITY**  
"Let us seize, friends, our opportunity from the day as it passes"; Horace. . . .  
"Tareless Benz, patient of man's prostration, affords him fresh opportunities every hour"—Mary Baker Eddy. . . .  
"All things are ready if our minds be so"—Shakespeare. . . .  
"Seek not for fresher founts afar. Just drop your bucket where you are."—Sam Walter Foss. . . .  
"Who keeps one end in view makes all things see"—Robert Browning.

**CARD OF THANKS**

Mr. and Mrs. Ernest C. Jackson and family extend sincere thanks to those who sympathized with them in their recent bereavement of a loving daughter, and to those who loaned cars and sent flowers to the funeral. They also thank the nursing staff of the Nanaimo Hospital and the doctor for the kind treatment accorded their daughter during her illness.
