

P: Oh, hi. My name is Deviyani, coming from in India. And I'm here in 12 years ago now here. I work, I myself came here by myself. I work, I'm lab technologist and working as a lab tech here in Nanaimo. I worked initially in Edmonton. I did my study there, in NAIT, and then I had a job in Lake Canadian Falls, so I work in 6 years in Canadian Falls and really I am proud to be a Canadian. One positive was cities, like working as a lab tech in Canadian Falls. And then I come here. My other passion is like handicraft items. And I make myself. And always, I putting on things on sale in Edmonton as well as here. And I also good cook, so I also have, like teaching cooking here. And I'm really proud of, as a Canadian and as proud of as Indian because I'm growing in Canada. And that's why I am really like here. Yes, and I might brought my mom here in future if I get the chance. I would also encourage my sibling and their children to get here. We do have a good life but was, still I would like to meet people. I like to be with the different culture and you know, learn lot of different languages. So I'm really happy here.
