

O: My name is Bolaji and I live in Nanaimo. Off Jingle Pot. I came to Canada in 2013. And after I retired, I came here. My daughter is here with her family. And I've been enjoying it here, you know. It's quite nice on the west coast. The weather is not too bad. It's been a good weather. Hot in summer you know. Summer is quite close to what I'm used to, so I really love it here.

I: And, did you say where you were from?

O: I'm from Nigeria.

I: Where in Nigeria?

O: I'm from southwest Nigeria. He is from the southwest. And I'm Yoruba. The Yoruba people live in the southwest of Nigeria. Right. So that's about it, OK?

I: That's great.
