

N: Hello everyone. My name is Thao in from Vietnam. I'm the MBA student from VIU and I been here for 6 months in Nanaimo. What I like in Canada is, I like the people here. The multicultural, oh my God, I don't, yeah like how diverse the country is. And the people are very friendly, especially I live with, I live in with my host and she's Canadian and she's taking care of me like children at her house, which make me so, feel so home. And what I don't like is really hard question, but then I feel like I don't really like the coast weather. But I feel, I'm getting used to the coast weather here. And I feel like I'm fall in love with people and the culture and weathers in Canada. So I'm so happy to be here. Thank you so much.
